## SKILLS

- Adobe Photoshop, Illustrator, XD, InDesign
- Graphic Design
- Illustration
- Fine Painting
- Floral Design

## WORK EXPERIENCE

### Freelance Artist

*Chewy WOW Team (remote), Nov 2025 - Present*

Request pet portraits to paint; manage work schedule and stock supplies; paint portraits within a timely manner; package and return completed paintings to Chewy by their set deadline.

### Floral Designer

*Fifth and Flowers, May 2024 - Present*

Assist in designing floral pieces for weddings, from centerpieces to bridal bouquets; deliver wedding florals to venues and complete on-site set ups; design small bouquets for high school prom and homecoming events

### Graphic Artist and Illustrator

*Carson Industries, Sept 2024 - Nov 2025*

Design, illustrate, and format graphics for various products using Adobe Photoshop and Adobe Illustrator; create templates for new products; mockup designs onto products; integrate AI into the design process; effectively communicate with managers to ensure a design is the best it can be and upholds the brand image; export files for production and maintain file organization.

### Floral Designer

*Carrollwood Florist, Oct 2023 - Aug 2024*

Learn the fundamentals of floral design; explore floral design as a form of art, focusing on sculptural form and color theory; design daily arrangements for customers; research floral design trends and explore various styles of design; design for and assist with weddings and events.
